

Destination of Choice!

Skidmore-Tynan ISD is a very small, rural school district with an enrollment of 830 students. Our district prides itself on relationship. We are intentional about building relationships in order to advance learning and the social/emotional development of young people. With our small size, we are able to accomplish this and much more.

When your family is considering public education, please find Skidmore-Tynan as your destination of choice. Here are some of the great reasons why your next stop is Skidmore-Tynan ISD. Our school district compares exceedingly well when measured against all of the schools in Texas and particularly those schools within our region (Corpus Christi area). The student performance indicators listed below provide ample reasons as to why you should consider our school system.
